PROFESSIONAL EXPERIENCE

Select Web Work

- **Front-End Developer** – Staples Headquarters, Framingham, MA – *Jun. 2012 to Dec. 2014*
 - Teamed with designers and copywriters, slicing images from PSD's and hand-coding web pages integrated with JavaScript/jQuery to develop both static and responsive web pages resulting in increased sales.
 - Worked extensively on responsive, web-based emails under challenging timelines, bringing platform-uniform results to customers on any mobile device.
 - Helped train incoming developers on HTML-based emails while improving the core email templates at Staples to increase sales.
- **Front-End Developer & Designer** – Defense Security Service, Department of Defense – *Nov. 2011 to Jun. 2012*
 - Key manager of over 500 pages on a secure site, developing new pages while troubleshooting challenging code problems under strict timelines to successfully support over 10,000 DoD students.
 - Initiated, designed, and coded iframed Facebook pages for the Defense Security Service and Human Resources Facebook pages, greatly increasing their public outreach and recruiting.

- **Front & Back-End Developer & Graphic Designer** – Animal Rescue Organizations – *2011 to 2016*
 - Volunteered while serving in the military as their web developer, senior graphic designer, and database architect, resulting in increased adoptions and support and raising over \$75,000.00.
 - Developed a database and implemented upgrades throughout their site, combining mySQL, phpMyAdmin, .PHP, .HTML, CSS3, jQuery, and Flash.
 - Combined multiple software programs (Dreamweaver, Photoshop, Final Cut Pro/Premiere Pro, Constant Contact) to develop critical, time-sensitive print and web products in multiple formats, helping thousands of rescued pets find new homes.
 - Lead dozens of email campaigns, designing and coding the HTML-based emails as well as all the supporting web-based material.

Select Freelance Graphic & Video Work

- **Multimedia Designer** – Completed numerous web, graphic, media, print, and video projects.
- **Videographer** – Jack Satter House – *Aug. 2011*
 - Shot and edited promotional video for Hebrew Senior Life's Jack Satter House, the largest retirement housing provider in the greater Boston area. Shot all interviews, primary, and "B-roll" scenes and produced the video using Adobe After Effects, Premiere Pro, and Photoshop.

EDUCATION

Graphic Design and Programming - Brown University, BA – Providence, RI
